CRIMINAL HISTORY

IMPORTANT NOTICE

Your fingerprints will be submitted to the FBI's National Crimes Information Center, a comprehensive law enforcement database containing federal and state criminal arrest and conviction records. A report will be returned to the National Indian Gaming Commission and the FSAGC containing any arrest and conviction information in the database associated with your fingerprints. The content of this report will be compared with the information contained in this application. If you have failed to disclose any arrest or convictions in this application, such omission(s) will be taken into account in assessing your character, honesty, integrity and suitability for licensure and will result in the denial of the license. Often Court matters expunged on the District Court level will be included in the FBI report. Not all matters that are expunged from your record will be deleted from the FBI database, which could give the impression that you failed to disclose the matter in your application. In the event that you do not disclose any charges that were expunged from your record and it does appear on the FBI report, you will be asked to supply an Order of the Court stating that the matter was expunged.

Prior to answering the questions contained in the next section, carefully review the following definitions and instructions. You may be asked to supply a disposition or Court document to any matter you disclose in your application. If you have any such document(s) in your possession, it is advised that you bring those documents with you to your appointment or that they are attached when mailed.

Definitions:

- Date of Charge(s): Refers to the date you were arrested, detained, held, taken into custody or the date that formal charges were brought against you for any unlawful conduct that you were alleged to have committed.
- Offense Charged: Refers to any information, complaint or indictment filed in any tribal, state, or federal Court alleging that you have committed any "offense". It can also refer to any complaint that may not have resulted in any formal indictment but did result in an arrest. Includes all felony and misdemeanor crimes regardless of the seriousness of the alleged conduct, including serious violations of any motor vehicle code or ordinance such as driving while intoxicated, driving under the influence of a controlled substance, restitution paid on any bogus check. However, this does not include minor traffic violations.
- Disposition: Refers to the outcome of the matter such as, any convictions, dismissals, deferred sentences or a matter that was expunged or dismissed.

- Sentence: Refers to any time you were ordered to serve in any penal institution, County jail, DUI School, probation or a diversionary program, deferred or suspended sentence.
- Incarcerated: Refers to any jail (city or county) or state correctional facility, in which you were held, detained or taken into custody.
- Probation: Will need to be marked "yes" if you are currently paying on any fines, restitution or are on a deferred sentence. If a case is closed but payments are still pending in any matter you will need to state that. If a matter is still pending but a sentence has not been ordered at this time you will need to disclose that information.
- Deferred: Refers to a plea excepted by a judge but does not find the defendant guilty. Instead the judge defers the sentencing for a period of time upon certain conditions that the defendant must satisfy. If the defendant complies with the terms of deferment the defendant will be allowed to withdraw his or her plea and any record of a plea will be expunged.

Instructions:

Answer "YES" and provide a full explanation of the facts and circumstances for each incident even if:

- You did not commit the offense charged.
- The charges were dismissed, deferred or downgraded to a lesser charge.
- You completed pretrial intervention or equivalent diversionary program.
- You were not convicted.
- You did not serve a prison or jail sentence.
- The charges or offenses occurred more than ten (10) year ago.
- You made or are currently making restitution payment to the District Attorney's Office.

Answer "NO" only if you have never been arrested or charged with any offense as defined above.

Fort Sill Apache (Vendor/Contractor) Fiduciary Responsibility Agreement

All vendor employees and contractors hold a position of trust. They make decisions that affect the future of an organization. Large amounts of money can be involved with various appointments or contracts, making it vital for everyone to act and make decisions that do not benefit, support or promote their own agendas, but are made in good faith and with the primary duty being to the tribe and its businesses. They should also:

- not take advantage of their position to further their own needs;
- be honest and industrious;
- never misuse information gained through their privileged position
- provide adequate information to authorized persons or members when requested and not mislead them in any way;
- disclose any potential conflict of interest;
- act with care and diligence;
- maintain confidentiality of information that is only made available to the decision makers;
- never knowingly place the organization in a potentially litigious position; and
- ensure all decisions made are to the advantage of the organization or tribe
- ensure they act according to the constitution and ordinance of the Fort Sill Apache Tribe.

The public gaming operations license/ work permit is a revocable privilege, no holder thereof shall be deemed to have an interest in any vested rights therein or thereunder. The burden of proving qualifications to hold any license/ work permit rests with the vendor employee or contractor. The Gaming Commission is charged by law with the duty of continually observing the conduct of all vendor employees or contractors to the end that licenses/ work permits shall not be held by unqualified or disqualified persons or unsuitable person or persons whose operations are conducted in an unsuitable manner.

It is the responsibility of the licensee to keep themselves informed of the contents of all such regulations, provisions and conditions, and ignorance thereof will not excuse the violations.
